Dear Sister Hoggard:

As you are probably very much aware the Church of Jesus Christ of Latter-Day Saints is celebrating the Sesquicentennial organization of the Church this year.

Some fifty years ago in commemoration of the Centennial organization of the Church your sweet Mother/Grandmother Mary Elizabeth T. Russon wrote a letter to her decendents. This letter was safely secured in a "strong box" originally placed in the safe in the Stake President's Office in the old Seminary building here in Lehi. That building has long since been torn down. When our new Stake Center was built this box was carefully placed in the safe in this new building. Engraved on this box is the following: "To The President of the Lehi Stake Relief Society open ... 1980." We have opened this treasure and have found some 70 plus letters written to decendents of these noble women, among which is a letter from your Mother/Grandmother to you and other family members.

On May 2, 1980 we are having a special Stake Relief Society Sesquicentennial program entitled... "That It May Be Of Worth.. In Some Future Day..." (Moroni 1:4). This program will be held at the Lehi Utah Stake Center, 200 North Center Street, Lehi, Utah at 7:30 PM. We are extending a special invitation for you to be in attendance at this very special program to receive this letter from your Relief Society Mother/Grandmother. You will be the only member of your family receiving a letter regarding this program so we would greatly appreciate your getting in touch with other family members and extending an invitation to them to be in attendance also.

Please inform us by mail or telephone who of your family will be there to receive this letter.

What a wonderful experience this has been for us to have had the opportunity of searching out these families and planning such a lovely evening. We sincerely hope you and other family members will be able to be with us on this very special occasion.

Sincerely,

*Carma G. Price
